

TOWN OF MIDDLEFIELD RESIDENTS PLEASE BE ADVISED

MAILBOX, FENCE AND LANDSCAPE REPAIRS / REPLACEMENT:

It is the goal of the Town of Middlefield's Highway Department to keep the town roads and highways in a passable condition during the winter months. Any obstructions located in the Town of Middlefield right-of-way may hinder the highway department's efforts at snow removal and storage. In an attempt to clear roads, the drivers try to be careful not to damage any obstruction in the right-of-way, however, that is not always possible. Any damage to mail boxes, fences or landscaping caused when the Highway Department is maintaining the roads during winter months will not be repaired or replaced by the Town. Therefore, the repairs/replacements will be at the owner's expense.

VEHICLES PARKED IN THE TOWN'S RIGHT-OF-WAY:

Vehicles parked on the Town right-of-way are also a hindrance when clearing and maintaining roads in the winter. Attempts will be made to contact the owners in order that the vehicles can be removed. However, if the Town Highway Department is unable to reach the owner, the vehicle(s) will be towed at the owner's expense.

Brendan Kraham
Highway Superintendent
Town of Middlefield
